

**Exopag-related acronyms:**

ExoPAG – Exoplanets Program Analysis Group  
EC – Executive Committee  
SAG - Study Analysis Group  
SIG - Science Interest Group  
PAC - Planetary Science Advisory Committee  
APAC - Astrophysics Advisory Committee

**NASA-related acronyms:**

NASA – National Aeronautics & Space Administration  
NASA HQ – NASA Headquarters in Washington, DC  
SMD – Science Mission Directorate  
APD – Astrophysics Division  
PSD – Planetary Science Division  
ESD – Earth Science Division  
HSD – Heliophysics Science Division  
ExEP – Exoplanet Exploration Program  
NExSci – NASA Exoplanet Science Institute  
NeXSS - The Nexus for Exoplanet System Science  
R&A – Research & Analysis  
ROSES - Research Opportunities in Space and Earth Sciences  
NSPIRES - NASA Solicitation and Proposal Integrated Review and Evaluation System  
DAPR - Dual-Anonymous Peer Review

**Relevant NASA funding programs:**

XRP – Exoplanet Research Program  
HW – Habitable Worlds  
EW – Emerging Worlds  
APRA - Astrophysics Research & Analysis  
SAT - Strategic Astrophysics Technology  
TCAN - Theoretical and Computational Astrophysics Networks  
FINESST - Graduate Student Research Awards  
ADAP - Astrophysics Data Analysis  
LWS – Living with a Star

**Mission-related programs (e.g., HST, Chandra, JWST):**

GI – Guest Investigator  
GO – Guest Observer  
Archival programs  
Theory programs
