

Logistics

Jennifer Gregory
NASA JPL

Towards Starlight Suppression for the Habitable
Worlds Observatory Workshop
August 8, 2023

A Little More On Logistics

- **Wifi** connection info cards available at check in table and with Jennifer
- In-person attendees should **sign in** on the paper sheet OR via the QR code (from the comfort of your seat). Remote folks, we see you.
- YEAH! **Coffee!** But please enjoy outside.
- **Lunch-** if you ordered and haven't done so yet, please pay. If you're on your own, we've provided some suggestions at check in. It's not too late for Hawaiian on the 10th (grass skirt optional)
- **Restrooms-** speaking of breaks, exit either of the side doors up the stairs
- Not to be missed- **Social hour!** Complete with hors d'oeuvres, beverages and great company (Tuesday and Wednesday only)
- This meeting is being **recorded** for quality assurance, and future use. Use microphones and smile for the camera. See the workshop website for final presentations and recordings.
- **Return badges** unless you collect them
- Contact me jgregory@jpl.nasa.gov
